Taking into consideration of certain difficulties brought to the notice of this Ministry from different quarters from time to time and the encadrement of post of Additional Director General of Police in the police hierarchy, Government have decided to modify the existing guidelines and have consolidate them in one place for the sake of reference. Further, in order to ensure uniformity of procedure in the matter of promotion, formation of DPC and their functioning etc., general principles of promotion are also being suggested for guidance.

2. In order to ensure uniformity of procedure in the matter of appointment and promotion to various grades in the Indian Police Service in all the State Cadres in the country. It would be desirable to adhere to the revised guidelines and follow and impose stricter standards of selection as envisages in the revised guidelines.

PRINCIPLES REGARDING PROMOTION OF MEMBER OF IPS IN THE STATE CADRE

I. PROMOTION TO SENIOR TIME SCALE

Director General and Inspector General of police and where no cadre post of DG exists, the Addl. (Recruitment) Rules, 1954 and make suitable recommendations to the State Government. III. PROMOTION TO THE SELECTION GRADE

A Committee consisting of the Chief Secretary, The Secretary-In-charge of the Police Department and the Director General and Inspector General of Police (Addl. Director General of Police where there is no cadre post of DG) may screen the cases of those officers in the Junior Administrative Grade, who have completed 13 years of service, for promotion to the Selection Grade as per the provisions of the IPS (Pay) Rules, 1954. On the basis of merit with due regard to seniority. Selection grade will be available from or after 1st January of the relevant year subject to the availability of vacancies in the said grade.

IV. PROMOTION TO SUPER-TIME SCALE AND THE ABOVE SUPER TIME SCALE POSTS

(A) Composition of the screening Committees

(i) for Super Time Scale posts:

The Screening Committee for this purpose (for promotion to the grades DIG and IG) would be the same, as the one constituted for Screening of officers for promotion in the Selection Grade. Committee for the Union Territories Cadre would
comprise the Union Home Secretary as Chairman, with Additional Secretary or the Joint Secretary in the Ministry of Home Affairs who is incharge of UT Police Cadre and Commissioner of Police, Delhi as members.

(ii) for the Above Super Time Scale posts.

The Screening Committee for promotion of an officer to the grade of Director General as well as Addl. Director General of Police and / or equivalent post, would consist of (i) Chief Secretary, (ii) one non-IPS officer of the rank of Chief Secretary and working in the State Government, (iii) Director General of Police and (iv) an additional member in case there is a senior officer available who is holding independent charge of Home Secretary and is in the rank of Addl. Chief Secretary or Chief Secretary (with rank not less than that of Additional Secretary to Government of India).

(B) Zone of Consideration

The zone of consideration of officers for promotion to various grades, would be as follows, depending upon the availability of posts:

1. For promotion to the Grade of DIG Officers who have completed 14 years of service
2. For promotion to the Grade of IGP Officers who have put in 18 years of service
3. For promotion to the Grade of Additional DGP Officers who have put in 26 years of service
4. For promotion to the Grade of DGP Officers who have put in 30 years of service

ii) Suitability of officers to hold posts of and above the Selection Grade may be adjudged by evaluating their character roll record as a whole and general assessment of their work.
iii) An officer who has not been included in the panel other than DG in the first instance should be eligible for reconsideration after earning two more annual confidential reports. For DG level, reconsideration could be after earning at least one more ACR.

iv) Special review may be done in cases where adverse remarks in an officer's annual confidential reports are expunged subsequently as a result of his representation / memorial.

(D) Period of validity of the panel

i) A fresh panel should be prepared as soon as all the officers in the earlier panel have been provided for. Empanelment of officers shall be considered batch-wise. Care shall be taken to ensure that officers are suggested / considered for appointment to various grades in the order of their interesse position in the panel. The record of the officers who have been impanelled for promotion but are yet to be promoted despite a lapse of 2 years, may be screened to see if in the last two years, there had been any deterioration in their standard as would warrant their delisting from the panel.

ii) If a vigilance or departmental inquiry has been started against an officer on the panel after a preliminary inquiry establishing charges prima facie, the said officer shall not be promoted, pending the result of inquiry.

General Principles for promotion would be as given in Annexure.
ANNEXURE

GENERAL PRINCIPLES REGARDING MODE OF SELECTION ETC.
FOR PROMOTION AND FUNCTIONS OF SCREENING COMMITTEES ETC.

1. FUNCTIONS OF 1.1
SCREENING COMMITTEES

It should be ensured while making promotions that suitability of candidates for promotion is considered in an objective and impartial manner. For this purpose Screening Committees (hereafter referred to as Committees) should be formed for different grades whenever an occasion arises for making promotions / confirmations etc. The committees so constituted shall adjudge the suitability of officers for:

(a) Promotions of officers in various grades;

(b) Confirmation; and

(c) Assessment of the work and conduct of probationers for the purpose of determining the suitability for retention in Service or their discharge from Service, or extending their probation.

2. FREQUENCY AT 2.1
WHICH COMMITTEES SHOULD MEET

Meeting of the Committees should be convened at regular intervals to draw panels for filling up the vacancies arising during the course of a year. For this purpose, it is essential for the concerned appointing authorities to initiate action to fill up the existing as well as anticipated vacancies well in advance of the expiry of the previous panel by collecting relevant documents like ACRs, Integrity Certificates, Seniority List etc. for placing before the Committees. Meetings of the Committees could be convened every year and if necessary, on a fixed date, e.g. 1st of May or June. All the cadres should lay down a time schedule for holding the Committee meetings and the same should be monitored by making one of their officers responsible for keeping a watch to ensure that they are held regularly. Holding of these meetings need not be delayed or postponed on one
3. DETERMINATION OF VACANCIES

or the other administrative ground or on the ground that the necessary material for placement before the Committees is not ready, the requirement of convening regular meetings of the Committee should be dispensed with only after a certificate has been issued by the appointing authority that there are no vacancies to be filled by promotion or no officers are due for promotion / confirmation during the year in question.

It is essential that the number of vacancies in respect of which a panel is to be prepared should be estimated as accurately as possible for this purpose, the vacancies to be taken into account should be the clear vacancies arising in a grade due to death, retirement, resignation, promotions and deputation. As regards vacancies arising out of deputation only those cases of deputation for periods exceeding 3 years should be taken into account taking due note of the number of deputation likely to return to the cadre. Purely short term vacancies created as a result of the officers proceeding on leave, training or on deputation for a short term period etc. should not be taken into account for the purpose of preparation of a panel. In cases where there has been delay in holding the Committee meetings for a year or more, vacancies should be indicated year-wise separately.

4. PAPERS TO BE PUT UP FOR CONSIDERATION BY COMMITTEES

The proposals should be completed and submitted to the Committee well in time. No proposal for holding a Committee should be sent until and unless at least 90% of the ACRs (up-to-date and complete) are available. Every effort should be made to keep the ACR dossiers, up-to-date lest this aspect is advanced as the reason for not holding the Committee meetings in time. the officer referred in para 2 should also be responsible for monitoring the completion of the ACR dossiers.
4.2 The ACR folder should be checked to verify whether the ACRs for individual years are available. If the ACR for a particular year is not available and for valid/justifiable reasons, it cannot be made available, a certificate should be recorded to that effect and placed in the folder.

4.3 The integrity certificate on the lines indicated below should be furnished to the Committees constituted to consider cases for promotion or confirmation.

"The records of service of the following officers who are to be considered for promotion / confirmation in the grade have been carefully scrutinized and it is certified that there is no doubt about their integrity."

If there are names of persons in the list of eligible candidates. Whose has been held in doubt at one stage on the other last shall carefully be recorded by the officer in-charge of the Personnel Department and brought to the notice of the Committee. It should be ensured that the information thus furnished is factually correct and complete in all respects. Cases where incorrect information has been furnished should be investigated and suitable action taken against the person responsible for it.

5. CONSIDERATION OF OFFICERS ON DEPUTATION

5.1 The names of officers who are on deputation should also be included in the list submitted to the Committee for consideration in they come within the zone of consideration and fulfill the prescribed eligibility conditions. Similarly, the names of the officers on deputation should also be included in the list of names to be considered for confirmation in case they are eligible and come within the range of seniority. In cases where a certain number of years of service to be put in the lower grade is prescribed as a condition for becoming eligible for
consideration for promotion to the higher grade and/or for confirmation, the period of service rendered by an officer on deputation should be treated as comparable service in his cadre for the purposes of promotion as well as confirmation. This is subject to the condition that the deputation is with the approval of competent authority and it is certified that but for deputation, the officer would have continued to be in the relevant grade in his cadre. The same would apply in cases of officers who are on study leave or training under the various training schemes which are treated as duty for all purposes.

Each Committee should decide its own method and procedure for objective assessment of the suitability of the candidates. While merit has to be recognized and rewarded, advancement in an officer's career should not be regarded as a matter of course but should be earned by dint of hard work, good conduct and result oriented performance as reflected in the annual confidential report and based on strict and rigorous selection process. The misconception about "Average" performance also requires to be cleared. While "Average" may not be taken as adverse remark in respect of an officer, it cannot also be regarded as complimentary to the officer as such performance should be regarded as routine and undistinguished. It is only the performance that is above average and performance that is really noteworthy which should entitle an officer to recognition and suitable rewards.

The annual Confidential Reports are the basic inputs on the basis of which assessment is to be made by each Committee. The evaluation of ACRs should be fair, just and nondiscriminatory. The Committee should consider ACRs for equal number of years in respect of all officers falling within the zone of
consideration for assessing their suitability for promotion. Where one or more ACRs have not been written for any reason, the Committee should consider the available ACRs. While making the assessment, the Committee should not be guided merely by the overall grading that may be recorded in the ACRs but should make its own assessment on the basis of the overall entries made in the ACRs. If the Reviewing Authority or the Accepting Authority, as the case may be, has overruled the Reporting officer or the Reviewing Authority respectively, the remarks of the latter authority should be taken as the final remarks for the purposes of assessment provided it is apparent from the relevant entries that the higher authority has come to a different assessment consciously after due application of mind. If the remarks of all these authorities are complementary to each other, then the remarks should be read together and the final assessment made on that basis.

7.2 In the case of each officer an overall grading should be given which will be either "Fit" or "Unfit". There will be no benchmark for assessing suitability of officers for promotions.

7.3 Before making the overall grading, the Committee should take into account whether the officer has been awarded any major or minor penalty or whether any displeasure of any higher authority has been conveyed to him. Similarly, the Committee would also take note of the commendations received by the officer during his service career. The Committee would also give due regard to the remarks indicated against the column of integrity.

The list of candidates considered by the Committee and the overall grading thus assigned to each candidate would form the basis for preparation of the panel for promotion.
8. PREPARATION OF YEAR-WISE PANELS WHERE THE COMMITTEE HAVE NOT MET FOR A NUMBER OF YEARS

8.1 Where for any reasons beyond control, the Committee has not met in a year(s) even though vacancies arose during that year(s) the first Committee that meets thereafter should follow the procedures indicated below.

(a) Determine the actual number of vacancies that arose in each of the previous year(s) immediately preceding and the actual number of vacancies proposed to the filled in the current year separately.

(b) Consider in respect of each of the years those offices only who would be within the zone of consideration with reference to the vacancies of each year starting with the earliest year onwards.

(c) Prepare a panel by placing the panel of the earlier year above the one for the next year and so on.

8.2 Where a Committee has already met in a year and further vacancies arise during the same year, the following procedure should be followed.

(a) For vacancies due to death, voluntary retirement, new creations etc. belonging to the category which could not be foreseen at the time of placing the facts and the matter before the Committee, another meeting of the Committee should be held for drawing up a panel for the vacancies thus arising. If for any reason, the Committee cannot meet for the second time, the procedure of drawing up of year-wise panel may be followed when it meets next for preparing panels in respect of vacancies that arise in the subsequent year.

(b) In cases of non reporting of vacancies due to error or omission, since the wrong whereby such an error artificially restricted the zone of consideration cannot be undone, a Review DPC should be held keeping in mind the total vacancies in the year.
(c) For the purpose of evaluating the merit of the officers while preparing year-wise panels, the scrutiny of the record of the service of the officer should be limited to the records that would have been available had the Committee met at the appropriate time. However, if on the date of such meeting, departmental proceedings against an officer are in progress and the sealed cover procedure is to be followed, such procedure should be observed even if departmental proceedings were not in existence in the year to which the vacancy related. The officers name should be kept in the sealed cover till the proceedings are finalized.

(d) While promotions will be made in the order of the consolidated panel, such promotions will have only prospective effect even in cases where the vacancies relate to earlier years.

9. CONFIRMATION

9.1 In the case of confirmation, the committee should not determine the relative merit of officers but it should assess the officers as "Fit" or "Not Yet Fit" for confirmation in their turn on the basis of their performance as assessed with reference to their records of service.

10. PROBATION

10.1 In the case of probation, the Committee should not determine the relative grading of officers but only decide whether they should be declared to have completed the probation satisfactorily. If the performance of any probationer is not satisfactory, the Committee may advice whether the period of probation should be extended or whether he should be discharged from service.

11. PROCEDURE TO BE FOLLOWED IN RESPECT OF OFFICERS UNDER CLOUD

11.1 At the time of consideration of the cases of officers for promotion of such officers in the zone of consideration falling under the following categories should be specifically brought to the notice of the concerned Screening Committees:
(a) Officers under suspension;
(b) Officers in respect of whom a Charge-sheet has been issued and disciplinary proceedings are pending;
(c) Officers in respect of whom prosecution for criminal charge is pending

11.2 The Screening Committee shall assess the suitability of the officers coming within the purview of the circumstances mentioned above, along with other eligible candidates, without taking into consideration the disciplinary case/criminal prosecution which is pending.

The assessment of the Committee including "unfit for Promotion" and the grading awarded by it will be kept in a sealed cover. The cover will be super scribed "FINDINGS REGARDING THE SUITABILITY FOR PROMOTION TO THE SCALE OF ............IN RESPECT OF SHRI ...............NOT TO BE OPENED TILL THE TERMINATION OF THE DISCIPLINARY CASE / CRIMINAL PROSECUTION AGAINST SHRI......" The proceedings of the Committee need only contain the note "THE FINDINGS ARE CONTAINED IN THE ATTACHED SEALED COVER" The same procedure will be adopted by the subsequent Screening committees till the disciplinary case / criminal prosecution against the officer concerned is concluded.

12. ADVERSE REMARKS 12.1 Where adverse remarks in the Confidential Report of the officer concerned have not been communicated to him, this fact should be taken note of by the Committee while assessing the suitability of the officer for promotion / confirmation. In a case where a decision on the representation of an officer against adverse remarks has not been taken or the time allowed for submission of representation is not over, the Committee may defer the consideration of the case until a decision on the representation is arrived at.
12.2 An officer whose increments have been withheld or who has been reduced to a lower stage in the time-scale, cannot be considered on that account to be ineligible for promotion as the specific penalty of withholding promotion has not been imposed on him. The suitability of the officer for promotion should be assessed by the Committee as and when occasions arise. They will take into account the circumstances leading to the imposition of the penalty and decide whether in the light of overall service records of the officer and the fact of the imposition of the penalty, he should be considered suitable for promotion. Even where the Committee considers that despite the penalty the officer is suitable for promotion, the officer should not actually be promoted during the current year of the penalty.

13. VALIDITY OF THE 13.1 COMMITTEE PROCEEDINGS WHEN ONE MEMBERS IS ABSENT

In such cases and provided that the Chairman was not absent, the proceedings of the Committee shall be legally followed and can be acted upon. It should however be ensured that the member was duly invited but absented himself for one reason or the other and there was no deliberate attempt to exclude him from the Committee's deliberations and provided further that the majority of the members constituting the Committee are present in the meeting.

14. PROCESSING OF 14.1 RECOMMENDATIONS OF THE COMMITTEES

The recommendations of the Committee are advisory in nature and should be duly placed before the appointing authority for approval. There may, however, be occasions when the appointing authority may find it necessary to disagree with the recommendations. In any case, however, the decision to agree or disagree with the recommendations should be taken within a period of 3 months from the date of the meeting of the Committee.
14.2 Where the appointing authority proposes to disagree with the recommendations of the committee, it may refer the matter again to the Committee for reconsideration of their earlier recommendations. If the Committee reiterates its earlier recommendations giving also the reasons in support thereof, the appointing authority will take a decision either to accept or to vary.

A clearance from vigilance angle should be available before making actual promotion or confirmation of officers approved by the committee to ensure that no disciplinary proceedings are pending against the officers concerned.

The officers placed in the approved panels for promotion are to be considered for appointment to higher grades in the order of their inter-se position in the respective panels, except in cases where disciplinary / court proceedings are pending against an officer. The procedure to be adopted in cases of officers against whom disciplinary / court proceedings are pending has been laid down in the succeeding paragraphs.

If a panel contains the name of an officer who is away from the cadre and is on deputation in public interest, including an officer who has gone on study leave/training, provisions should be made for his regaining the temporarily lost promotion in the higher grade on his return to the cadre. It has to be borne in mind the seniority of members of all India services which is fixed at the time of their completion of probation period, is not to undergo any change throughout their career and early or late promotion of an officer via-a-vis other officer(s) is to have no impact on their seniority. Therefore, such an officer need not be reconsidered by a fresh committee, if subsequently held, while he continues to be on deputation / study leave / training. This would be irrespective of the fact whether of not he has got the benefit of pro forma promotion under NBR.
17.2 In case an officer is away on deputation on his own volition by applying in response to some advertisement, he should be required to revert to his parent cadre immediately when due for promotion, failing which his name shall be removed from the panel. On his reverting to the parent cadre after a period of 2 years, he will have no claim for promotion to the higher grade on the basis of that panel. In that case, he should be considered in the normal course along with other eligible officers when the next panel is prepared and he should be promoted to the higher grade according to his position in the fresh panel.

18. SEaled COVER CASES ACTION AFTER COMPLETION OF DISCIPLINARY / CRIMINAL PROSECUTION

18.1 If the proceedings of the Committee for promotion contain findings in a sealed cover, on conclusion of the disciplinary case/ criminal prosecution, the sealed cover or covers shall be opened. In case the officer is completely exonerated, the due date of his promotion will be determined with reference to the findings of the Screening Committee kept in sealed cover/ covers and with reference to the date of promotion of his next junior on the basis of such findings. The officer may be promoted, if necessary, by reverting the junior most officiating person. Such promotion would be with reference to the date of promotion of his junior and in these cases, the officer will be paid arrears of salary and allowances.

18.2 If any penalty is imposed on the officer as a result to the disciplinary proceedings or if he is found guilty in the criminal prosecution against him, the findings of the sealed cover/ covers shall not be acted upon. His case for promotion may be considered by the next Screening Committee in the normal course and having regard to the penalty imposed on him. In such cases, the question if arrears will be decided by the Central Government by taking into
account all the facts and circumstances of the disciplinary / criminal proceedings. Where the Government denies arrears of salary or a part of it, the reasons for doing so shall be recorded.

19. SIX MONTHLY REVIEW OF SEALED COVER CASES

It is necessary to ensure that the disciplinary case / criminal prosecution instituted against an officer is not unduly prolonged and all efforts to expeditiously finalise for proceedings are taken so that the need for keeping the cases of officers in sealed cover / covers is limited to the barest minimum. The appointing authorities concerned should comprehensively review such cases on the expiry of six months from the date of convening of the first screening committee which had adjudged his suitability and kept its findings in the sealed cover. Such a review should be done subsequently also after every six months. The review should, inter alia cover the progress made in the disciplinary proceedings / criminal prosecution and further measures required to be taken to expedite their completion. The same procedure is to be followed for considering the cases of confirmation.

20. AD HOC PROMOTIONS IN CASES WHERE DISCIPLINARY PROCEEDINGS / CRIMINAL PROSECUTIONS ARE PROLONGED

As appointment of the members of the All India Services to various grades is made on regular basis and the concept of one-time confirmation exists in their cases, the concept of grant of ad hoc promotion is alien to them. Unlike Central Government Servants, ad hoc promotions are not be allowed in their cases even if the disciplinary cases / criminal prosecutions instituted against them are found to have been prolonged. In their cases, only six monthly review of their disciplinary / criminal cases is to be undertaken and efforts are to be made to expedite their completion.
21. SEALED COVER
PROCEDURE
APPLICABLE TO
OFFICERS COMING
UNDER CLOUD
BEFORE PROMOTION

In the case of an officer recommended for promotion by the Screening Committee where any of the circumstances mentioned in Para 11 above arise before actual promotion, sealed cover procedure would have to be followed. The subsequent Committee shall assess the suitability of such officers along with other eligible candidates and place their assessment in sealed cover. The sealed cover / covers will be opened on conclusion of the disciplinary case / criminal prosecution, in case the officer is completely exonerated, he would be promoted as per the procedure outlined in Para 18 above and the question of grant of arrears would also be decided accordingly. If any penalty is imposed upon him as a result of the disciplinary proceedings of if he is found guilty in the criminal prosecution against him, the findings of the sealed cover shall not be acted upon, a outlined in Para 18.2 above.

22. VALIDITY OF THE PANEL

A panel for promotion recommended by the Committee and approved by the appointing authority shall be valid till all the officers placed in the panel have been promoted. This will of course, exclude officers who are away on deputation or are on study leave or are on training.

23. REVIEW COMMITTEE MEETING

The proceedings of any Committee may be reviewed only if the Committee had not taken all the material facts into consideration if material facts were not brought to their notice or if there were grave errors in the procedure followed by them. Special review may also be done in cases where adverse remarks in the officers ACRs are expunged as a result of their reports. The Review Committee should consider only those offices who were eligible as on the date of meeting of the Original Committee. They should also restrict their scrutiny to the ACRs for the period relevant to the first Committee. If any adverse remarks relating to the relevant period were toned down or
expunged, the modified ACRs should be considered as if the original adverse remarks did not exist at all. Before doing so, the appointing authority would scrutinize the relevant cases with a view to decide whether or not a review by the Committee is justified, taking in mind the nature of the adverse remarks toned down or expunged. While considering a deferred case or review of the case of a superseded officer, if the Committee finds the officer fit for promotion/confirmation, if would place him at the appropriate place in the relevant panel after taking into account the toned down remarks or expunged remarks.

23.2 If the officers placed junior to the officer concerned have been promoted, the latter should be promoted immediately and if there is no vacancy, the junior-most person officiating in the higher grade should be reverted to accommodate him. On promotion, his pay should be fixed at the stage it would have reached had he been promoted from the date the officer immediately below him was so promoted, but no arrears for the past periods would be admissible. In the case of confirmation, if the officer concerned is recommended for confirmation on the basis of review, he should be confirmed from the due date.
